JCBOE Mid Term Elections WCU Voting Site - Notes 4.7.26.docx;

All: the Jackson County Board of Elections met yesterday to consider early and day of voting for the midterms this fall. Please see the attached notes from Jenna Kubiak in CCESL, who attended the meeting, along with three WCU students.

As you can imagine, if the Board's preliminary proposal moves forward and HHS is the preferred site, there are many steps to take, particularly around institutional commitment and voting logistics.

The Board must submit official plans for the polling site(s) by July 24th, 2026.
